Mozarteum Canada at a glance

Mozarteum Canada is a Canadian society dedicated to celebrating Mozart's legacy through innovative classical music programming. It educates, entertains, inspires and engages anyone with an interest in classical music, creating accessible, technology-enhanced experiences that honour Mozart's legacy while making classical music relevant for today's audiences.

THREE PILLARS

Performance
Concerts, salons and signature evenings that bring Mozart's music into halls across Canada.

Education
In-person events and digital webinars: pre-concert talks, masterclasses and online conversations.

Community outreach
Partnerships with schools, youth groups and community organizations to broaden access to classical music.
